2. This service shall not be provided while the ~~member~~ consumer is attending day treatment and training.
3. This service shall not be provided when the ~~member~~ consumer is hospitalized.
4. This service shall not be provided in conjunction with a daily habilitation service (i.e., group home, developmental home, daily individually designed living arrangement).

Service Goals and Objectives

Service Goals

Facilitate the removal of barriers related to social interaction and independent functioning through the techniques available from a music therapist.

Service Objectives

The Qualified Vendor shall ensure the following objectives are met:

1. Conduct an assessment of the ~~consumer's~~ member's strengths and needs concentrating on the concerns identified by the ISP. Areas of testing may include but are not limited to: social interactions, language, speech and communication skills, sensory-motor skills, sensory perception, cognitive function and skills to manage emotional expression.

2. In accordance with the member's planning document~~consumer's ISP process~~, assist in developing ~~individualized support methodologies, including:~~

~~212.1~~ Establishing individualized, time-limited training objectives/functional outcomes that are based on assessment data and input from the member and the member's consumer's representative that will allow the member to achieve his/her long-term vision for the future and priorities.

~~212.2~~ Developing A specific training strategies for each habilitative- functional outcomes within twenty (20) thirty (30) business days following after the initiationing of service for a new or a continuing placement and whenever a new outcome has been identified for the member. The specific teaching~~training~~ strategy for each objective/outcome shall identify the schedule for implementation, frequency of services, data collection methods, and the steps to be followed to teach the new skill~~teaching strategies~~.

~~212.3~~ Based upon the presence or absence of measurable progress, making C changes to specific training objective/outcome(s) and/or strategies, as agreed upon by the member's planning~~ISP~~ team, based upon the presence or absence of measurable progress by the member.

~~3. As identified in the consumer's ISP, provide training and/or assistance.~~

~~4. As identified in the consumer's ISP, provide training and/or assistance to the consumer's family/consumer's representative to increase and/or maintain targeted skill acquisition of the consumer.~~

~~324.1~~ With input from the member~~consumer~~, the member's representative~~consumer's representative~~, and his/her significant others~~people important to the member~~, and as identified in the planning document, provide training and/or assistance to the caregiver(s) to carry out, develop strategies for habilitative functional outcomes that can be carried out in the context of the member's~~consumer's~~ daily routine.

~~4.2 Communicate with the family/consumer's representative regarding how the support methodologies are working when staff is not present.~~

~~4.43.~~ Based upon the presence or absence of measurable progress, make changes to specific training objective/outcome(s) and/or strategies, as agreed upon by the planning ~~ISP~~ team.

~~5. Service delivery planning includes consideration of the following aspects:~~

~~5.1 Criteria for reassessment;~~

~~5.2 Criteria for fading as appropriate;~~

~~5.3 — The potential for developing and maintaining self-help, socialization and adaptive Skills;~~

~~5.4 — Respect for the consumer's preferences, favorite activities, and their lifestyle choices, etc.;~~

~~5.5 — The potential for developing useful techniques and skills of other caregivers to the consumer's benefit; and~~

~~5.6 — The potential for increasing the consumer's social contacts, friends and colleagues.~~

~~6. — At least one direct observation for each new direct care staff is made by the qualified vendor within the first 90 (ninety) days of hire with the direct care staff present.~~

547. Each Board Certified Music Therapist ("MT-BC") ~~direct care staff~~ is trained and oriented to implement the planning document ~~ISP~~ and applicable behavioral plan for the member ~~consumer~~, and follows the protocols for responding ~~handling~~ and reporting incidents to the Division.
